## ISC SUMMER DAY CAMP

## **MEDICATION FORM**

The ISC Summer Day Camp has established policies and procedures regarding the administration of medicine during the camp day. Medication includes all over-the-counter prescribed medication for a particular camper. All medications are to be kept in the Camp Office and are not to be stored with campers or counselors. This policy applies to both prescription and non-prescription items.

For the safety of all of our campers, all medication must be brought to camp in its original container and stored in our camp triage. Pharmacy labels are required for all prescription medications. Non-prescription medications should be sent in original containers with the camper's name clearly written on it. Please fill out this form in its entirety and drop it off at the check-in table along with the require medication.
