AT ISC, WE PRIDE OURSELVES ON BEING...

## SAFE

With low staff-to-camper ratios, we pride ourselves on offering a safe summer camp experience from beginning to end! Our staff is selected for their enthusiasm, maturity and experience working with children. Every staff member is 18 or older and CPR/First Aid/AED Certified. They have completed an extensive orientation and are fingerprinted and background checked through the State of NJ. Our camp is licensed by the State of NJ, and receives an annual inspection.

## ACCOMMODATING

We do our best to meet your needs as a busy parent or guardian with flexible daily or weekly scheduling. Our tuition includes extended care, beginning as early as 7 AM and ending as late as 6 PM at no additional charge. The tuition fee also includes a hot lunch, drinks and a daily snack for each child while they are in the building. Email communication tools, such as weekly newsletters and calendars, allow parents to be in the know with everything camp-related!

## AFFORDABLE

Our goal is to provide quality programs at affordable prices so that everyone is able to participate. We are proud to offer early registration and sibling discounts, company discounts, referral discounts and weekly camp tuition payments. Head over to [www.isccherryhill.com](http://www.isccherryhill.com) for more details!

## ENGAGING

We believe in structuring our camp to involve and engage each camper as they learn, play and grow. Summer is a time to explore and try new things. We will do our best to introduce your child to as many new experiences as possible. Our goal is for every child to have a well-rounded summer camp experience from beginning to end so that they are eager to return year after year!
